## AAFPO SECRETARY'S REPORT JUNE 2009

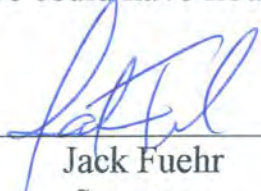

### Digitizing AAFPO Records

Paper copies of the minutes of the March 2009 meeting are on file in the Membership Office and the Shuter Library. The March minutes are also available at [www.AAFPO.ShuterLibrary.net](http://www.AAFPO.ShuterLibrary.net).

The covenants have been loaded onto the [www.AAFPO.ShuterLibrary.net](http://www.AAFPO.ShuterLibrary.net) web site and may be accessed via the Internet or at the library. I request that the Communications Committee develop a link to this section of our archives from the [www.AAFPO.org](http://www.AAFPO.org) web site.

With the completion of the covenant project, all of digitization projects defined in the past year have been implemented. The minutes of all Board meetings and many committee reports from the inception of AAFPO have been digitized and uploaded to the Shuter Library web site. Organizational documents are now available on the library website as well as the covenants.

All of this was accomplished with minimal expense (\$2,200) plus the annual maintenance fee of \$500. This would not have been possible without the assistance and knowledge of Steve Saxe of the Shuter Library. Without his help, we could have floundered on this project.
